Zenith Micro

Award winning drinking water system for smaller spaces

Zenith Micro - our smallest ever drinking water system fits under almost any bench, but still delivers perfectly boiling and chilled water at your fingertips.

*37% narrower than HydroTap BC 100/75 underbench command centre

Designed with space in mind
Our smallest under-bench system footprint is 37%* narrower.

Optimised for up to 10 people
Keep up to 10 people hydrated with boiling only or boiling + chilled filtered water options.

Easy to use
Zenith Micro is only available in the newly designed tap, with an integrated safety lock and uses an intuitive twist activation with auto and manual fill options. The underbench system comes with pre-configured settings and modes.

Micro-filtration for pure tasting water
Zenith Micro uses the latest filtration technology for pure-tasting water Zenith filters are certified to reduce bacteria, sediment, odours to NSF 42 (aesthetic effects) and NSF 53 (health effects).

GOOD DESIGN AWARD® GOLD WINNER
